GLOBAL STANDARDS LOCAL TRUST

Improvement Analysis Restless Development December 2017

Feedback from internal stakeholders (4.4)

Beyond working closely with senior management to help achieve Restless Development's goals, do Trustees engage with other staff and/or country offices? Are internal stakeholders able to provide recommendations and feedback to the Board?

Process to support highest governance body's own performance (4.10)

Information on appointment of Trustees, term limits, and evaluation of the Board of Trustees' performance were not provided.

Social charters, principles or other initiatives to which the organisation subscribes (4.12)

Whilst it was stated that this was not applicable to Restless Development in the reporting reference table, membership of organisations such as International Aid Transparency Initiative should be mentioned here.
