ABOUT RESTLESS DEVELOPMENT

We know young people have the power to solve the challenges we face in our world, but they are being ignored and overlooked. We are the agency that works with young people so they can lead in solving those challenges. Whether that means supporting communities to end child marriage or prevent HIV, we work with young people to change their lives and the lives of people in their communities.

Our programmes are genuinely life-changing, but can’t do any of this without talented, creative individuals at every level of our organisation.

OUR APPROACH TO SAFEGUARDING

Restless Development considers the welfare and protection of children, young people and vulnerable adults to be an organisational imperative with primacy over the success of programmes or strategic objectives. We recognise that safeguarding is everyone’s responsibility and we expect all of our staff, volunteers and partners to ensure we protect the communities in which we operate from harm and abide by our Safeguarding Policy.

[Insert any role specific safeguarding responsibilities, if any]

ABOUT THE ROLE

Context: Restless Development is the leading youth-led development agency. We have been working in Tanzania since 1993 and have established an impressive track record in delivering grassroots impact through youth led development programmes aligned to the Government of Tanzania’s Consecutive National Development Plans. We are implementing an exciting 5-year strategic plan (2016 - 2021) which champions for a growing movement of change makers unleashing leadership as an agency in their own right. We believe as an agency we have the key to unlock young people’s potential both at national and on a global scale. Our vision is that young people everywhere are able to demand and deliver a just and sustainable world. Key to attaining our vision is the Restless Model which puts youth at the heart of development. Unified priorities for specific changes that young people are demanding are anchored in our four enabling goal areas: Voice, Living, Sexual Rights and Leadership. We have projects that are aimed at increasing access to livelihoods and employment for young people’s (men and women including people with disability and other minority groups) control over their bodies and reproductive health rights in Tanzania. We implement projects in partnership with target communities, public and private actors in different locations by directly facilitating greater and equitable access to friendly reproductive health information and services. The Sexual and Reproductive Health Manager will be accountable for providing technical and project management support to implementing partners to ensure quality and timely delivery of projects. S/he will also be responsible for developing strong relationships with policy makers at the national level and development and implementation of all activities under Sexual rights goal. S/he will lead Sexual and reproductive health projects and staff, including planning and executing day-to-day activities and oversee financial management while providing quality information on the progress and outcomes in all aspects of the implementation of the Sexual and reproductive health programme. This will include building up highly functional working partnerships with relevant local administration staff, targeting beneficiaries, technical support and monitoring. You will also ensure the timely and For more information on Restless Development’s mission, values and work, please visit: www.restlessdevelopment.org.
efficient implementation of the Reproductive health and right projects according to all specific targets and modalities set out in the project documentation.
You will be expected to travel in-country on a regular basis in order to provide management support and oversight, and to contribute to development of strategic partnerships at local government, regional and national (ministry/department/agency) level on behalf of Restless Development.

Restless Development is an Equal Opportunities employer and welcomes applications from all sectors of the community. Restless Development will ensure that no applicant or staff member receives less favourable treatment on the grounds of gender, sexual orientation, marital status, social status, caste, race, ethnic origin, religious belief, age, HIV status, disability, or any other factor that cannot be shown to be relevant to performance.

**WHAT WE DO FOR YOU**

**Remuneration**

We are proud to commit to a transparent global salary scale, ensuring a fair and comparable system of pay across all global locations. In addition to salary, we offer pension contributions and housing allowance to the tune of 10% and 4% of your basic salary respectively.

**Values and Culture**

At Restless Development, we’re proud that the strength and integrity of our Values has been recognised by staff, beneficiaries, donors and others who we work with. Beyond this, we have a culture of recognising and celebrating both our Values and our global achievements with monthly Values Champions and an annual Values Day.

**Work-life Balance**

It goes without saying that we work hard, at Restless Development. We also recognise the importance of helping staff to maintain a positive work-life balance by offering:

- 24 days annual leave (in addition to public holidays and with an extra day of annual leave given for each full year of service, up to a maximum of 28 days).  
- Birthday Leave  
- Access to flexible working.  
- Generous study leaves, maternity, paternity or adoption leave, and other leave allowances.

**Professional Development**

For more information on Restless Development’s mission, values and work, please visit:

[www.restlessdevelopment.org](http://www.restlessdevelopment.org)
Restless Development is proud to be an employer who recognises potential and invests in the development of its staff. We are committed to the professional development of our staff through:

- Empowering opportunities to work on significant projects which stretch and inspire staff – allowing them to develop on-the-job.
- Regular performance management.
- Training and development opportunities, including supporting our staff to identify mentors both within and outside of the agency.
- Quarterly Staff Workshops for all staff to give and receive agency updates, receive training, and socialise.

Travel and Medical Insurance
Specify where staff and their dependents are covered by national/private medical insurance schemes. When travelling abroad with work, all staff will be covered by Restless Development’s travel insurance.

Relocation package
For staff who relocate to work with Restless Development, we offer a competitive relocation package. This will be discussed with relevant candidates and could include:

- A lump-sum relocation allowance to support you in relocating to your new place of work.
- Out of country supplements for the duration of your time working in your new place of work.
- Medical insurance.
